Bridges for Young Learners

Community

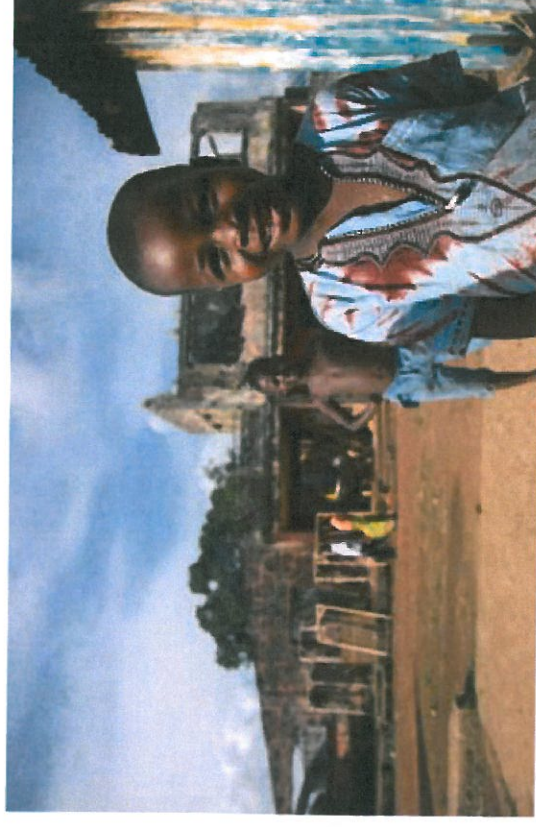

You can find people living
in communities all around
the world.

Kenya

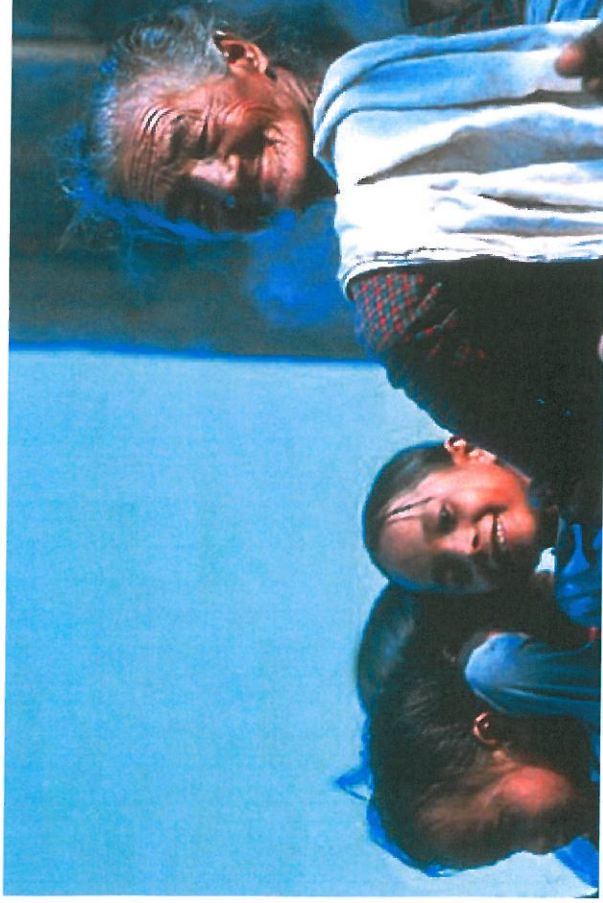

Kiribati

Liberia

Communities are people
living together in the
same area.

India

Cape Verde

Macedonia

Micronesia

Communities can be large,
small, urban or rural.

Dominican Republic

China

Fiji

Zambia

Mongolia

Communities may be
made up of the homes
and neighborhoods
where families live.

Panama

Macedonia

?

Morocco

Many communities have people who are leaders. They help the community make decisions. These can be mayors, elders, captains, or councils.

Ghana

Togo

Armenia

Philippines

Communities have places like stores, markets, and farms, where people can get the items they need.

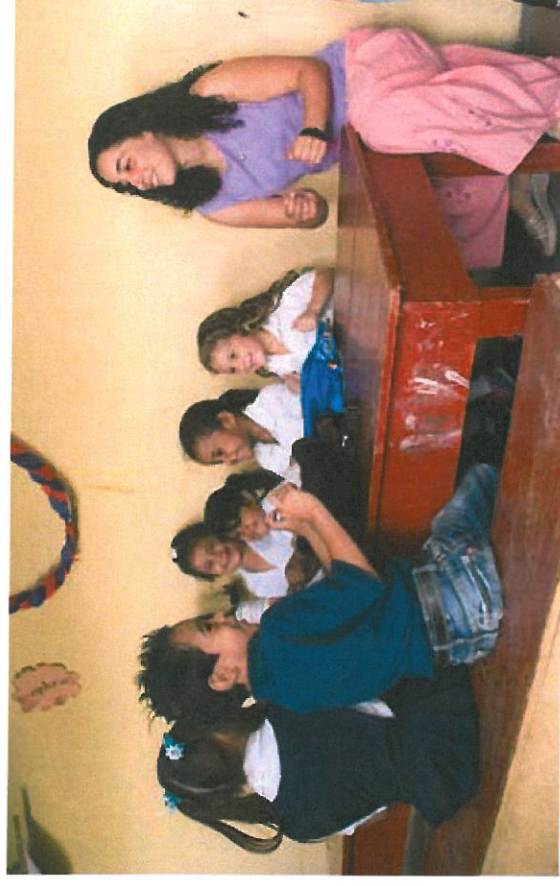

Guatemala

Communities also have schools
where young people can go to
learn new things.

China

Nicaragua

Burkina Faso

Many communities around the world have churches, temples, synagogues, mosques, or other places to practice religion.

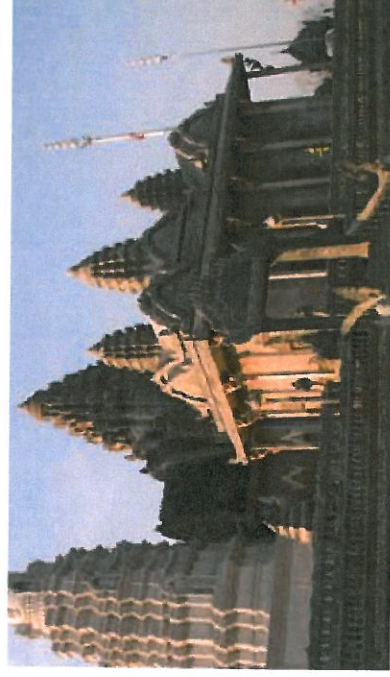

Macedonia

Thailand

Romania

Cambodia

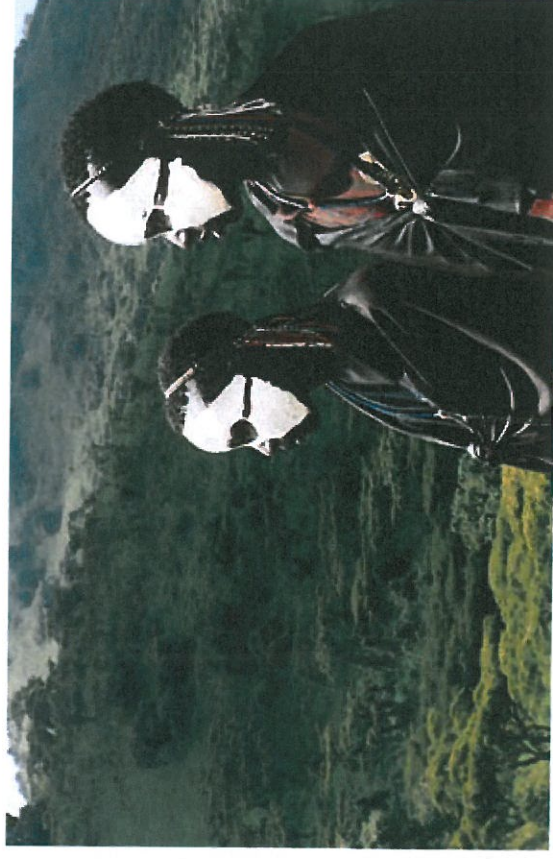

Communities are places
where people can celebrate
their culture.

Fiji

Niger

Tanzania

Guatemala

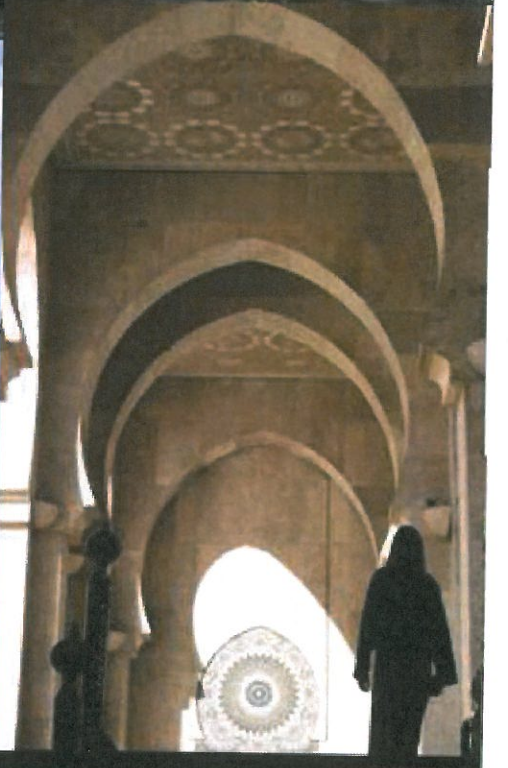

But the best thing about communities is that they are full of people helping each other.
